

Krum Society of Historic Preservation-Business Membership Letter-2022
150 W. McCart St.
Krum, Texas 76249

The Krum Society of Historic Preservation, which funds the museum, is a non-profit organization. We are supported by dues and donations from very generous individuals and local businesses like you. Even though the museum is currently closed due to covid, we still have to pay utilities, insurance and upkeep. So please help us so that we can fulfill our mission statement which is to:

- Preserve and foster an appreciation of Krum's rich history.
- Develop pride and citizenship benefiting future generations.
- Display and interpret artifacts of Krum's beginnings and growth.

Thank you for your help in fulfilling this mission.

This membership year we are again inviting more businesses to join our society. So, we hope you will take this opportunity to support your hometown museum. When people visit the museum they also often eat and shop in Krum. All businesses that join our society are listed on our museum web site at www.krumheritagemuseum.com under Business Support. All businesses that join will also be given a "shout out" on our museum Facebook page.

Sincerely,
Officers of the Krum Society of Historic Preservation

Robin Barnes-President	Kathryn Dodd-Treasurer
Pat Phillips-Vice President	Kathryn Dodd-Secretary
Della Davis-Historian
