Christmas Seal Sales Bring In \$110 at Krum

KRUM, Dec: 16 — Christmas Seal sales campaign has returned a total of \$110 In Krum exceeding previous sales campaign records, Mrs. John Morris, chairman of the campaign for Krum, said today.

The sum represents contributions from people who have sent checks' by return mail after receipt of their seals, and from 13 merchants who have purchased Tuberculosis Bonds, Mrs. Morris said.

In expressing appreciation for the citizens' promptness in replying to the appeal, Mrs. Morris called attention to the fact that Krum was the first community in which all of the leading merchants had purchased TB Bonds, Mrs. Morris said.

"If returns continue to come in at this rate," she said, "we will know that the Adult Tuberculosis Clinic and the other projects planned by the Denton County Tuberculosis Association can be successfully carried out."

Mrs. Morris urged that residents continue their cooperation, asserting that the work to halt the dread disease depends upon the Christmas Seal sales.
