150 W. McCart St.
Krum, Texas 76249

The Krum Society of Historic Preservation, which funds the museum, is a non-profit organization. We are supported by very generous individuals and local businesses like you. Even though the museum is currently closed due to covid, we still have to pay utilities, insurance and upkeep. So please help us so that we can fulfill our mission statement which is to:

- Preserve and foster an appreciation of Krum's rich history.
- Develop pride and citizenship benefiting future generations.
- Display and interpret artifacts of Krum's beginnings and growth.

Thank you for your assistance in fulfilling this mission and for supporting the Krum Society of Historic Preservation and the Krum Heritage Museum. We appreciate your help.

Sincerely,
Officers of the Krum Society of Historic Preservation
